NOTICE OF PROPOSED RULE MAKING**Adopted: January 24, 1997****Released: January 31, 1997****Comment Date: March 24, 1997****Reply Date: April 8, 1997**

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by Peninsula Broadcasting Company ("Peninsula"), proposing the allotment of Channel 300A to Charlevoix, Michigan, as that community's second FM broadcast service. Peninsula submitted information in support of the proposal and stated its intention to file an application for Channel 300A if the channel is allotted to Charlevoix.

2. We believe Peninsula's proposal warrants consideration. A staff analysis has determined that Channel 300A can be allotted to Charlevoix, Michigan, in compliance with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 12.6 kilometers (7.8 miles) southwest of the community.¹ The site restriction will prevent a short spacing to Station WHSB, Channel 299C1, Alpena, Michigan. Since the community of Charlevoix is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian government will be requested for this allotment. The 1995 edition of the Rand McNally Commercial Atlas indicates that Charlevoix is incorporated with its own zip code and post office and is the county seat of Charlevoix County. According to the 1990 Census, the community has a population of 3,116 people.

¹ The coordinates for Channel 300A at Charlevoix are 45-14-30 and 85-23-01.

3. In view of the fact that the proposed allotment would provide a second local FM service to Charlevoix, the Commission believes it would serve the public interest to solicit comments to amend the FM Table of Allotments, Section 73.202(b) of the Commission's rules, for the community listed below, to read as follows:

Community	Channel No.	
	Present	Proposed
Charlevoix, Michigan	290C1	290C1, 300A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **March 24, 1997**, and reply comments on or before **April 8, 1997**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

Henry E. Crawford
1150 Connecticut Avenue, N.W.
Suite 900
Washington, D. C. 20036

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement.

Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
